79207	OT100347480V1250C2DIMLT2P6 20/CS 1/SKU
79208	OT180347480V800C2DIMLT2P6 10/CS 1/SKU
79209	OT180347480V1250C2DIMLT2P6 10/CS 1/SKU
57501	OTI60UNV1600CDALIP6 20/CS 1/SKU

These products are produced according to the specifications documented within the OSRAM MTY quality guidelines for their physical and operational specifications.

The quality of the products is controlled continuously during and after production by our various quality inspection departments according to the latest methods of quality control. These measures, combined with the fact that these products are produced on the most modern production lines, guarantee that OSRAM MTY produced products exhibit the quality expected by our customers.

OSRAM MTY declares to be in compliance with RoHS 2 DIRECTIVE 2011/65/EU.
